Ons nr. 30005911

Kralendijk, MAY 18 2010

Subject: Issuance of permission to the International University School of
Medicine (IDSOM) Foundation for Providing Medical Education Covering
Doctor of Medicine (M.D.) Degree and Pre-Medical Educational Programs.

Dear Prof. Dr. Choudhry,

On behalf of the Government of Bonaire Netherlands Antilles we would like to state that to the International University School of Medicine (IUSOM) Foundation has been granted permission for providing Education for the Profession of Medicine to the local and international students seeking Doctor of Medicine (M.D.) Degrees.

We further declare that the International University School of Medicine (IUSOM) Foundation is established since September 16, 2005 and registered at Bonaire Chamber of Commerce on September 20, 2005, under registration number S-344, approved and permitted by our island Government, to deliver Medical Education covering Doctor of Medicine (M.D.) Degree and Premedical programs, for IUSOM-Bonaire Main Campus together with/from its other IUSOM-Branch Campuses located elsewhere in the world.

Sincerely,

The Executive Council of the territory of Bonaire,
The lieutenant Governor.

The Secretary,
